Subject: Reaching out to the Beneficiaries during this pandemic

Dear *Friends*,

I write to you hoping that you, your colleagues and family members are safe and healthy. I appeal in the interest of the greater good to encourage all to follow SARS Covid-19 safety protocols at home, workplace and your training centers as well. This pandemic would surely end sooner than later and we need to stand by each other during this difficult hour, as fellow brothers and Indians.

This is a time to reach out to each of the beneficiaries of Seekho Aur Kamao Scheme through telephonic and other means of communication and enquire about their and their family's well being and use the influence and infrastructure of your organization to provide any support and assistance required by them. This would make the beneficiaries feel connected to your Institution and the Scheme besides being great social service in these dire times.

I request you and the chief functionaries of your organizations to look into this personally as a measure of nation building and helping each other. I shall be personally thankful for the same. Please also let me know in case any assistance is required from the Ministry.

I am also sending a tracker, for you to fill in after calling the beneficiaries and send to the Ministry by 30th April 2021 on joydaniel.pradhan@nic.in .

With regards,

Yours Sincerely

C.P.S Bakshi
